INFORMATION & REGISTRATION

JOIN THE AVIATION SOCIETY

OUR ACTIVITIES

FLIGHT HOURS

-The Members can practice powered flying, gliding, as well as 3-axis ULM (Microlight) inside a certain number of approved flying clubs of the former "Midi-Pyrenées" region. It is possible to enroll in several flying clubs.

PILOTING SCHOOL

- Particular attention is given to the members who wish to learn to fly. Depending on the registered club, he/she will be offered an efficient level of instruction by qualified volunteer or professional instructors allowing good progress towards the private pilot's license. The average duration to obtain the private pilot's license is about 18 to 24 months, but depending on both trainee and instructor, it could be as fast as 6 months.

SKY DIVING

- It is also possible to practice skydiving in the approved clubs of the former "Midi- Pyrenées" region and train in the wind-tunnel of Lézignan.

The list of the approved flying and skydiving clubs can be obtained on the AISA website, Aviation Society section.

SPECIAL EVENTS

- Group excursions (powered aircraft/ULM, glider camps, wind-tunnel).
- Open day (aircraft, glider, skydiving).

SUPPORT TO MEMBERS OF THE SOCIETY:

-Periodically (Every 1 to 6 months depending on the size of the club), the Aviation Society club representative sends a statement of hours performed by each member.

-The Aviation Society contributes to up to 40% of performed and paid flight hours or jumps. This subsidy is limited to a maximum flying hour or jump rate, as well as to a yearly maximum amount per member (1.400 €). This maximum amount is nevertheless increased (2.000 €) for trainees (only for the first training powered aircraft, ULM or glider).

-The Aviation Society support only applies to flight hours or jumps that are NOT subsidized by any other organization. Only flight hours performed as pilot or trainee will be taken into account.

-The aviation Society subsidy represents a total amount of around twenty hours for a licensed aircraft pilot and around thirty five for a trainee. Skydiving activities are subsidized equivalently to the flight hours with the possibility to perform at maximum 1h of wind-tunnel for the skydivers who have already jumped during the year in an approved club.

NB: External to Airbus SAS members are not accepted.

OUR VOLUNTEERS

- President Jacques KUHL : jacques.kuhl@airbus.com
- TreasurerFranck ANDREINI : franck.andreini@airbus.com
- Secretaries Florence LE MARCHAND : florence.le-marchand@airbus.com
Nicolas GARCIA : nicolas.n.garcia@airbus.com

JOIN THE AVIATION SOCIETY

HOW TO JOIN

To join us, you must be:

- **A member of the Airbus Staff Associations (AISA) – 2025–2026 season (€5)**
- **A member of the AVIATION section – 2025–2026 season (€20)**

FIRST TIME REGISTRATION - You must come in person to the AISA office and provide:

- A photo (photos can be taken at the AISA office),
- A medical certificate dated less than three months ago, or a valid Class 2 PPL or LAPL
- Our General Membership Conditions (CGA – including Image Rights), completed, dated, and signed for each person wishing to register (main member, dependents: spouses, adult and minor children...), unless it's a renewal,
- An annual fee: €5 for AISA (card payment) + €20 for the AVIATION Society (card payment), per person, non-prorated.

Medical documents and CGA are available at: airbus-staff-associations.org

RENEWAL We invite you to complete your registration online at www.aistaff.fr via your personal Extracub account:

- Upload a medical certificate dated less than 3 months ago, or a valid Class 2 PPL or LAPL,
- Pay the annual fee: €5 for AISA (card payment) + €20 for the AVIATION Society (card payment), per person, non-prorated.

AIRBUS retirees may also join AISA under the same conditions as active staff.

The AISA office is located in the AISC building and is open every day from 1:00 PM to 5:00 PM, closed on Wednesdays.

For more information, contact the AISA secretariat:
