Your index is greater than 35.4 or you do not have a handicap yet.....

GIVE THE CHALLENGE TOUR A TRY !!!

You do not dare playing in competitions because your index is high or because you do not have a handicap yet ? We can understand it, but :

- The AGS created the Challenge Tour just for you. Don't be shy.
- You do not need to have the Carte Verte to join. But you must have a valid FFG licence.
- You will play with experimented golfers. These experimented golfers know that they are playing with beginners. They will be delighted to assist you with strategy, rules, etiquette,... Thus you will improve your game rapidly, easily, with no stress.
- It is very cheap : 13 euros maximum for the green-fee, including your contribution to prize giving at the end of the competition.
- And all this in the excellent ambiance and the good spirit of the AGS.
- 10 competitions per year. You add up points on every competition, depending upon your ranking. These points will decide the « Challenge Tour Player of the Year » at the end of the season. You will maybe win the trophy !
- Then, once your index is below 35.5, you can play in the Airbus Tour 2nd series. You can of course keep playing in the Challenge Tour as well.
- The 2024 calendar is as follows:
