

**AISA COMMUNICATION CONCERNING THE MEDICAL CERTIFICATES**

As part of the evolving requirements of sports and cultural federations, some having relaxed their rules while others have remained more cautious, we have reviewed the list of documents to be provided when joining (or renewing) AISA from March 1, 2025.

Here below you will find the new rules applicable to Golf

<b>ACTIVITE AISA</b>	<b>A FOURNIR</b>
Golf	<ul style="list-style-type: none"> <li>• <a href="#">QS = Questionnaire de Santé</a></li> </ul> <b><u>CERTIFICAT MEDICAL every 3 Years + QS SPORT in between</u></b>

We would like to point out that the medical certificate is proof that the association has taken the necessary measures to guarantee the safety of practitioners. This is why, depending on the specificities of each activity, this document may remain mandatory.

## 9 HOLE EVENTS

**Alignment help on the Green**

Self-standing putters.

Laying down objects to help with alignment or with aiming is not allowed. Nevertheless, placing a self-standing putter was previously permitted.

Now, the ban on placing objects on the ground to line up a shot also applies to self-standing putters. Clarifications in rules 10.2b/1 and 10.2b(3)/2.

Good to know: Self-standing putters have been banned since January 1, 2025. However, they are not illegal as such, only their intended use by setting them down and letting go is against the rules.

**As long as a player doesn't let go of the self-standing putter, they're not in breach of the rules.**
