OUR ACTIVITIES

The game of "PIED-TANQUE" ("feet together") was founded in 1910 and a little bit later, the AISA Petanque Society was established in 2013. Well-being, relaxation and friendliness are its pillars.

Whatever a pure leisure approach or a competition goal, Woman or Man, beginner or confirmed players: all profiles are welcome inside the Airbus Petanque Society.

The Airbus Petanque Society organizes all year long participation to different kinds of competitions as well as training sessions to allow its members to improve individual skills or game strategy.

Our partnership with the "Club de Petanque des Ramiers" in Blagnac will allow you to play the Petanque all year long, either outside in the shade of century-old plane trees during the summer, or inside the heated indoor courts during the winter.
