OUR ACTIVITIES

The Airbus Solidarity Society reflects the values of sharing, mutual assistance and solidarity that are so precious to AISA.

Our mission is to support, with empathy and discretion, Airbus SAS employees facing personal challenges and emotionally difficult situations by developing practical solutions.

OUR SUPPORT: PRACTICAL SOLUTIONS

We work alongside existing support structures to make employees' daily lives easier by implementing tailored solutions, such as:

- **Neurodiversity:** Establishing agreements with specialist organisations to provide relief for families
- **Administrative support:** Assistance during exceptional circumstances (retirement, long-term absence, loss of a close relative, etc.)
- **Support helpline:** A dedicated, discreet and confidential space to express yourself, either by telephone or in person.
- **Community initiatives:** Participation in AISA projects, such as first flights for hospitalised children (in collaboration with the Aviation Society).

PRIVACY AND COMMITMENT

Trust is the foundation of our actions.

Every volunteer at the Solidarity Society is bound by a strict duty of confidentiality.

All information shared in the course of our work is protected and handled with the utmost care.
