JOIN THE WIND & WAVE SOCIETY

OUR ACTIVITIES

The Wind & Wave Society was created in 2005 by passionate people to share and to discover in Airbus, activities related to water and wind. Over the years, members got the opportunity to go to adapted places, either supervised by professionals, or in group, but always in a friendly environment.

- WINDSURF

- KITESURF

- WAKEBOARD / WATERSKIING

- SURF

- WINGFOIL

SCHEDULED TRIPS

- "All-in-one" trips focused on one or several activities (wind, kite, surf, snow kite) are organized. Subject Trips are planned in advance (two months before) and include transport, accommodation and activities (lessons, material rental). Areas and partnerships are selected for their good ratio between cost, conditions, accommodation and their professionalism.

SPONTANEOUS DAY TRIPS

- Days or weekend trips are organized on a case by-case basis further to good weather forecast. All members are informed through a dedicated e-mail sent under short notice by the organizer.
